TO WHOM IT MAY CONCERN

This is to certify that **Mr. Md Nasrat Jahan** is a regular employee of Center for Environmental and Geographic Information Services (CEGIS), a Public Trust under the Ministry of Water Resources (MoWR) Bangladesh. He has been working in the Remote Sensing Division, CEGIS since August, 2009. At present, He has been working as an Associate Specialist in Remote Sensing Division, CEGIS

CEGIS is a scientifically independent centre of excellence, which is providing intellectual services to the policy makers aiming to promote sustainable development in the country and beyond, through integrated socio-economic and environmental assessment, geo-spatial analysis, remote sensing, etc. Thus, this organization assesses project driven impacts and consequences, evaluates project performances, formulates master and other plans and programs, analyses climatic and non-climatic factors etc. Out of its fourteen Divisions, the Remote Sensing Division is notable one, of which Mr. Md Nasrat Jahan has been employed as a 'Remote Sensing Specialist', and deals with earth and environmental issues through different types of satellite data using geo-spatial technology. Throughout his career in CEGIS, I found him to be a very sincere, hardworking, innovative and independent worker, with sufficient technical knowledge.

I am pleased to hear that Mr. Jahan has been awarded full financial aid, for pursuing **5 years PhD degree** program from **January 2022 to December 2026** in Engineering Sciences emphasis in Geology under the Department of Geology and Geological Engineering of the **University of Mississippi, USA**. As per CEGIS' policy, he has been given study leave for full time during his study period, and he will be regularized in the organization again after the successful completion of his study abroad. He will depart from Dhaka to **Oxford, Mississippi, USA** on **16th February, 2022**.

I wish all the very best to him in every aspect of his life.

Malik Fida Abdullah Khan
Executive Director, CEGIS
